Project Outline

Minimum 250 words (about 16-20 lines, e.g. two medium paragraphs), maximum two double-spaced pages. Your outline should include the following, in whatever form you prefer:

- The significance of your topic – in other words, what issue is your topic part of, or why is it important to pursue your topic?
- What exactly you intend to research and analyze (what types of sources, and on what exact subject).
- What you hope to learn about, and/or contribute to, your topic.
